Deer Lakes Midget Football Organization

Board Members:

I would like you to accept this \$25.00, contributed by the West Deer Police Department for the benefit of your organization. I hope that in some way may defray some of the costs of equipment or other expenses:

I also wish to extend to all of you that are involved in this worthwhile effort, my sincere best wishes for your success.

I am well aware of the need for this type of programs, but there are only a few like you that will roll up their sleeves and get something done. Your kind of effort will certainly make a better community and teach our youngsters respect and discipline, along with good sportmanship.

You can feel proud to watch our youth grow up to be an asset to himself, his community and the people around him.

May I wish all of you success and best wishes.

Very truly yours,  
Stephen Radge, Chief of Police
