DEER LAKES YOUTH FOOTBALL ORGANIZATION

A LETTER TO THE DEER LAKES AREA

We are proud to be the first organized non-political group composed of the Deer Lakes District of East Deer, Frazer, and West Deer Townships. Our directors and coaches are representatives of the three townships. We are always recruiting directors, coaches and players from the Deer Lakes Area. We need new ideas from people that can motivate and keep our organization open to all.

We maintain that teaching of discipline, respect, education, religion and providing the opportunity for our youth to gain confidence in themselves is the key to our organization's success. We wholeheartedly thank our boosters for being a part of our program. Although our salesmanship has been poor (25% of the businesses in the area are boosters) we hope that the organization will begin to sell and convince the remaining 75% to join in our program. Without your help in this expensive sport of football, we would find it difficult to exist.

Sincerely,
Board of Directors
