OUR PURPOSE

To provide opportunities to practice wholesome competition. Competition is part of the American lifestyle. But undue importance should not be attached to the outcome of this competition with young children. Skill development and the opportunity to participate should be stressed. Parents and coaches should encourage the child to judge his/her performance according to ability, rather than the outcome of the contest. As children mature, the outcomes of contests can become more important.

Anthony Simonetti
President, Board of Directors

**Welcome to
 Deer Lakes Lancer Head Coach
 Mr. Don Bender**

DON BENDER
In with the new.

Donald Bender, a Shaler Area teacher, is Deer Lakes High School's new head football coach.

Bender has been the varsity offensive line and linebacker coach for eht seasons at Shaler Area High, where he will continue to teach economics to seniors.

"I really don't forsee a loyalty problem with teaching at Shaler and coaching at Deer Lakes," said Bender, a 1966 Slippery Rock College graduate and former all-WPIAL quarterback at Zelienople High School. "In fact, it could be an advantage because I'll be able to bounce some ideas off Paul Kmetz (the head Shaler coach.)"

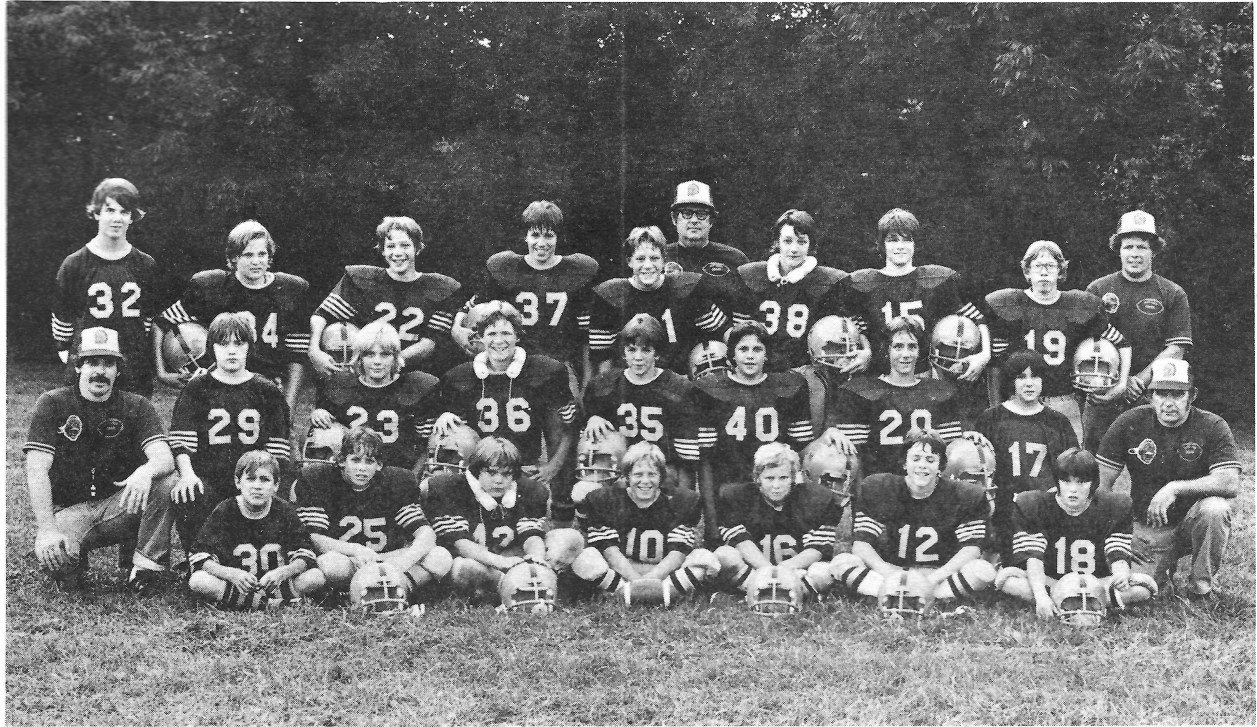

Bender said he learned of the Deer Lakes opening from a newspaper advertisement and was urged to check it out "by some guys at a coaches clinic in late January."

The new Lancer chief said he hasn't had a chance to survey the Deer Lakes talent. "But there's no reason why we can't have winning football," he added.

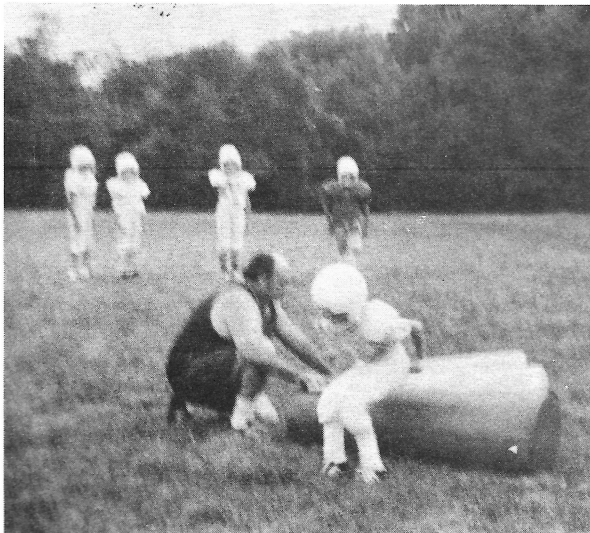

The Lancers had a 2-7 record last season.

The father of twin sons, Jason and Geoff, Bender considers himself "a laid back king of coach. I like to work more with positive reinforcement, instead of tearing somebody down."

Last year, Deer Lakes, relied heavily on the 23 sophomores on its 48-player squad. "But I'm used to building with youth. That's what we did at Millvale," said Bender. "Over-all, I'd like to see a lot of people turning out for Deer Lakes games. I think we can get some enthusiasm going once we're rollig."
