### OUR PURPOSE

To provide opportunities to practice wholesome competition. Competition is part of the American lifestyle. But undue importance should not be attached to the outcome of this competition with young children. Skill development and the opportunity to participate should be stressed. Parents and coaches should encourage the child to judge his/her performance according to ability, rather than the outcome of the contest. As children mature, the outcomes of contests can become more important.

## Deer Lakes Youth Football

**Anthony Simonetti**  
**Founder—President**  
**1972-1980**

Deer Lakes Youth Football Organization takes this opportunity to say thank-you to Mr. Anthony Simonetti for his nine years of dedicated service to the youth of this area. Dedication and sacrifice are not often found to the extent that Mr. Simonetti has shown. Thru his guidance and leadership hundreds of boys and girls had the opportunity and experience to participate in youth football, for these boys and girls we say Thank-You.
