## OUR PURPOSE

To provide opportunities to practice wholesome competition. Competition is part of the American lifestyle. But undue importance should not be attached to the outcome of this competition of young children. Skill development and the opportunity to participate should be stressed. Parents and coaches should encourage the child to judge his/her performance according to ability, rather than the outcome of the contest. As children mature, the outcomes of contests can become more important.

## GOOD LUCK

### YOUTH FOOTBALL ORGANIZATION

We wish to thank the Allegheny County Recreation Dept. and Deer Lakes School District Personnel for their help to make the 1981 Football Season possible.

## 1981 Deer Lakes Football Camp

A special Thanks go out to Dr. Richard DiSanti, Betty Runas, E.M.T. and Clemente Runas, E.M.T. for the services they volunteer to the Organization, which helps make it the success that it is.

Our Thanks to Harry Butler as E.M.T. while regulars were at Camp.

We would like to take this opportunity to thank all the women, directors and coaches who went to the 1981 Football Camp. This year's Camp was a great success and we could not have done it without your help.
