OUR PURPOSE

To provide opportunities to practice wholesome competition. Competition is part of the American lifestyle. But undue importance should not be attached to the outcome of this competition of young children. Skill development and the opportunity to participate should be stressed. Parents and coaches should encourage the child to judge his/her performance according to ability, rather than the outcome of the contest. As children mature, the outcomes of contests can become more important.

A special thanks to Dr. Richard DiSanti, Linda Darrah, L.P.N., Terry Demko, E.M.T. and Richard Ryan for the services they volunteer to the Organization which help make it the success that it is.

We would like to take this opportunity to thank all the women, directors, boys, coaches and parents who went to the 1983 Football Camp. This years camp was a great success and we could not have done it without your help.

DEER LAKES YOUTH FOOTBALL ORGANIZATION

We wish to thank the Allegheny County Recreation Dept. and Deer Lakes School District Personnel for their help to make the 1983 Football Season possible.
