OUR PURPOSE

To provide opportunities to practice wholesome competition. Competition is part of the American lifestyle. But undue importance should not be attached to the outcome of this competition of young children. Skill development and the opportunity to participate should be stressed. Parents and coaches encourage the child to judge his/her performance according to ability, rather than the outcome of the contest. As children mature, the outcomes can become important.

A special thanks to Dr. Richard DiSanti for the services he volunteers to the Organization which helps make it the success that it is.

GOOD LUCK

HIS FOOTBALL UNIFORM

For four long years I washed this suit and goodness, what a chore!
I've seen the grass, blood and dirt, the stains and grime galore
I've held it very gingerly, then dropped it in the wash
While thinking, Next week, wash again, O gee, O Lord, O gosh!
The fortune on detergent, the time I've spent — I shudder
For four long years I've washed this suit, you can call me mudder.
But today I washed this uniform perhaps the final time;
After all those years of drudgery, I failed to see the grime.
I saw the boy who wore it with such pride and dignity,
And suddenly that football suit looked beautiful to me.
I saw the dedication of my young man to the team;
His pride to wear the uniform, to play the game and dream.
I felt the tingling of the game, the tumult to the end,
The heart, the spunk, the cheer and pats of every loyal friend,
The character and goodness that this uniform helped to grow,
And the precious boy who wore it is so special I can glow.
If I had one wish for certain, the one I would adore —
Would be to wash this uniform for four long years more.

— A Caring Mother
