BUCKS

HEAD COACH

Bill Holtz

Coach Holtz is in his 5th season with the Bucks. He started as Assistant Offensive Coordinator in 1996 and has been the Bucks' Offensive Coordinator since 1998. Bill grew up in Pittsburgh, playing youth football and high school football in the City League. He has coached 9 years of Little League Baseball and has done great work in the Deer Lakes Youth Basketball program over the past 4 years. Bill is an Accountant in the Forecasting & Budgeting Department at Dominion Resources, Inc. He enjoys playing basketball and softball, and watching television.

ASSISTANT COACHES

George Matthews

Coach Matthews grew up playing football in Shaler and ended his playing career at Yale University for legendary Ivy League coach Carm Cozza. This is his third year as the DLYF Bucks Line Coach and this year, he doubles as the Bucks' Defensive Coordinator. A bit of DLYF irony: Even though he played football for 13 seasons, George's very first football game in 1974 with the Shaler Sidewinders was a visit to Deer Lakes to play the DLYF Bucks. George is a Consultant with Xerox Connect and serves on the DLYF Board as Vice President. George's only hobby has become maintaining the DLYF web site.

Rich Koerbel

This will be Coach Koerbel's second year coaching the Bucks. He will be working this year as an offensive assistant to Coach Holtz. Rich grew up playing sports on the South Side of Pittsburgh. He coaches in the Deer Lakes Little League and also in the Deer Lakes Youth Basketball program. Rich is employed as a Project Manager and when he isn't out on some field or court coaching, he enjoys playing golf.

Bill Moretti

Coach Moretti is new to DLYF this year, however he has 5 years of coaching experience in baseball and soccer. Bill played youth and high school football during the 1970's. He is the Manager/Owner of a Manufactured Housing Community. Bill enjoys all sports and all outdoor activities, especially hunting and fishing, but most of all he enjoys coaching and working with the kids.

Andy Pollock

This is Coach Pollock's first year with DLYF, he has coached in the Deer Lakes Little League for the past 3 years. Andy was raised in nearby Acmetonia and played football for Springdale High School from 1977-1981. He currently works at Mercy Hospital as a Biomedical Imaging Engineer. Andy enjoys fishing, computers, and most sports.

JUNIOR COACH

Nick Sobr

Nick played with DLYF for the previous six years and brings valuable knowledge with him to assist the Bucks coaching staff. Nick is also a member of the Deer Lakes ninth grade football team.

JUNIOR COACHES

Allison Lunz

Allison will be coaching for the first time after cheering with DLYF for 5 years. She has been dancing since 6 years old and cheering since 4th grade. Allison does babysitting work and her favorite activities include dancing, cheering, shopping, and sleeping.

Ginni Greiner

Ginni has been with DLYF for 4 years now, cheering on the Braves and Chiefs from 1997-1999. She is a captain of the Deer Lakes Freshman Cheerleading squad and is also a Cheer-On Hawk cheerleader. Ginni enjoys singing in a chorus and is actively involved in her church youth group.

Lindsay Fortuna

Lindsay is a Freshman Lancer cheerleader who cheered for DLYF for 4 years starting in 1996 as a Brave. She was on last year's Chiefs squad and will be coaching for the first time this year.

Cheer & Dance Academy

1628 Middle Road Ext.
PO Box 372
Gibsonia, PA 15044-0372

Home of the Hawks

Finally — a place JUST for cheerleaders & dancers!

We are proud to announce that the Cheer-On has opened its doors to the areas' Cheerleaders and Dancers.

All Star Teams

The academy is the home of the competitive **Cheer All Star Hawks** and of the **Dance All Star Hawketts**. Our colors are red, metallic gold, and white. Contact us to find out about becoming a member of one or more of our All Star teams..

Classes

In addition to having the All Star Teams, the academy offers *cheer foundation*, *jazz funk dance*, *tumbling* (beginning, intermediate, and advanced), *stunting*, and *Trampoline & Tumble Track*, classes.. Private lessons for the above can also be arranged.

Camps & Clinics

Cheer-On's camps and clinics offered to the areas' high schools and youth cheerleading programs are *customized* to their *individual* needs.. We have a **complete package** available which includes: choreography for competitions (as well as those for individual routines), customized music mixes for CDROM or cassette, stunting & tumbling formations and practices, etc., or "ala carte" from the above mentioned list. Come visit our facility to discuss your specific needs in person or call us at **724-444-7388**.

Our Facility

The Cheer-On site is 3 miles from the intersection of Rt. 910 and Rt. 8 (traveling East on Rt. 910) and 7 miles (traveling West on Rt. 910) from Harmarville. (The physical address is **1628 Middle Road Ext. in Gibsonia**. Cheer-On is the last building in the little industrial park next to Benke Motors — Chrysler/Plymoth/Jeep Dealership.) The facility has a **42' X 42' spring floor**, a **standard competition floor** as well as a **dance class & aerobics room**. Additional equipment include a **tumble track**, **trampoline**, several **safety mats**, a **portable pit**, and a **customized layered "T" pit**.

Our Staff

All of Cheer-On's instructors and coaches are highly experienced, motivated professionals. Check out our Web Site at www.cheer-on.com for specific details on their backgrounds.
